The Garden City Telegram publishes engagement, wedding and anniversary announcements each Saturday. There is no charge as long as there is some connection to our circulation area, such as the couple or a member of their immediate family live in our circulation area or are former residents (be sure to note the connection in the write-up).

We also publish photos and they can be either color or black and white as long as they are of good quality. They can be anywhere from billfold size to a 5x7-inch. Photos are scanned in and cropped electronically and the original photo is not altered. In the case of anniversary announcements, a fairly recent photo is requested (we do not publish the wedding-day photos).

You can e-mail the information to debbie@gctelegram.com, attaching the photo as a JPEG file. Forms also may be printed out and mailed to The Garden City Telegram, 310 N. Seventh St., Garden City, KS 67846 (to have your photo returned, enclose a self-addressed, stamped envelope or arrange for someone to collect it at our office within 30 days after publication). For clarification purposes, you must include your daytime phone number when submitting an announcement.

The information needs to be in by noon Wednesday for publication the following Saturday (some late items may be accepted, depending on the space limitations and volume of previously received articles).

If you have further questions, you can e-mail me at debbie@gctelegram.com or call 1-800-475-8600 or 276-6862 (if in Garden City) extension 242.
